

**Important  
Route Change Information  
for the 75 and 50 Mile Routes**

There is a route change on the 75 & 50 mile routes. It affects the intersection of N. Lake Dr. and E. Brown Deer Rd. There will be construction occurring at that intersection. The riders will turn left, west, onto Brown Deer Rd. from Lake Dr. and turn right, north, on N. Regent Rd., then left, northwest, on N. Santa Monica Blvd., then left, west, on Fairy Chasm Rd. They will use this route for outbound and mirror it on the return. The Bayside police will be at the E. Brown Deer Rd. & Regent Rd. and Fairy Chasm & N. Port Washington Rd. intersections. Our sentries will be re-assigned to the new corners and intersections.
